2 Sisters & a Cup of Tea Podcast

This is a Bible Study Podcast that dives deeper into the Word of God, exploring its teachings and how they apply to our daily lives. Each season follows a different book or passage, with the goal of driving God's word to the heart, growing in our faith and strengthening our relationship with God. Join your hosts, sisters Felicity and Sarah, and the occasional special guest, as they respond to scripture together with discussion and reflection in their bite-size weekly episodes - ideal if you're looking for a short Bible study online to listen on the go! Whether you are new to Bible study or have been a Christian for many years, this Christian podcast for women feels like you're studying with friends and is a great bible study for small groups too. Join us as we seek to grow in our knowledge and understanding of God's Word together!

Jesus through the Eyes of Women by Rebecca McLaughlin

In Jesus through the Eyes of Women, Rebecca McLaughlin explores the life-changing accounts of women who met the Lord. By entering the stories of the named and unnamed women in the Gospels, this book gives readers a unique lens to see Jesus as these women did and marvel at how he loved them in return.

We'd love to hear your recommendations! Please drop an email to Lesley@htg.org.uk
